### Recent Messages

#	Name	Email	Message	Date
1	Vishal Kantariya	vishal@example.com	Interested in residential project.	10-Oct-2025
2	Priya Shah	priya@example.com	Need quote for commercial building.	09-Oct-2025
3	Ravi Patel	ravi@example.com	Requesting site visit for bridge project.	08-Oct-2025
4	Neha Mehta	neha@example.com	Inquiry about new commercial complex.	07-Oct-2025

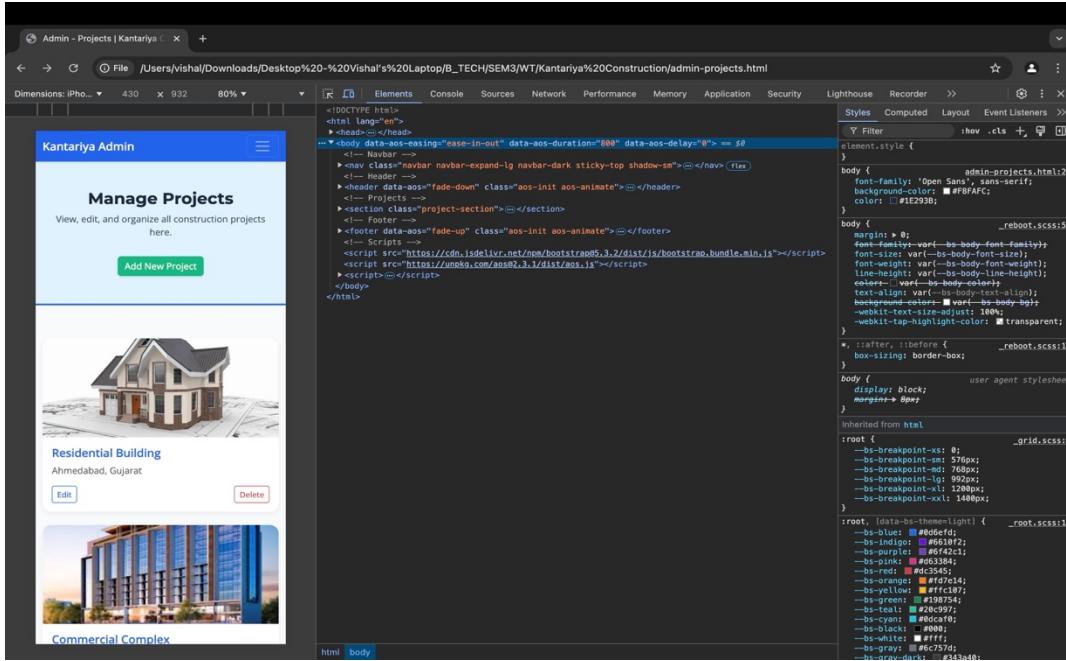

The screenshot shows the 'Admin Dashboard - Kantariya' page. The dashboard has a header with the title 'Kantariya Admin' and a 'Welcome to Admin Dashboard' message. Below the header is a sidebar with three sections: 'Projects' (12 total), 'Services' (6 active), and 'Team Members' (5 active). The main content area displays a summary of recent messages and footer information. The browser's developer tools are open, specifically the Elements tab, which shows the HTML structure of the page, including the navigation bar, sidebar, and main content.

## Projects Page:

The screenshot shows the 'Manage Projects' page under the 'Kantariya Admin' section. The page has a header with links for Dashboard, Projects, Services, Team, Messages, and View Site. The main content area is titled 'Manage Projects' with a sub-instruction 'View, edit, and organize all construction projects here.' A green 'Add New Project' button is located at the top right. Below it, there are three project cards: 'Residential Building' (Ahmedabad, Gujarat) with an edit and delete button; 'Commercial Complex' (Rajkot, Gujarat) with an edit and delete button; and 'Highway Bridge' (Surat, Gujarat) with an edit and delete button. Each card includes a small thumbnail image of the respective project.

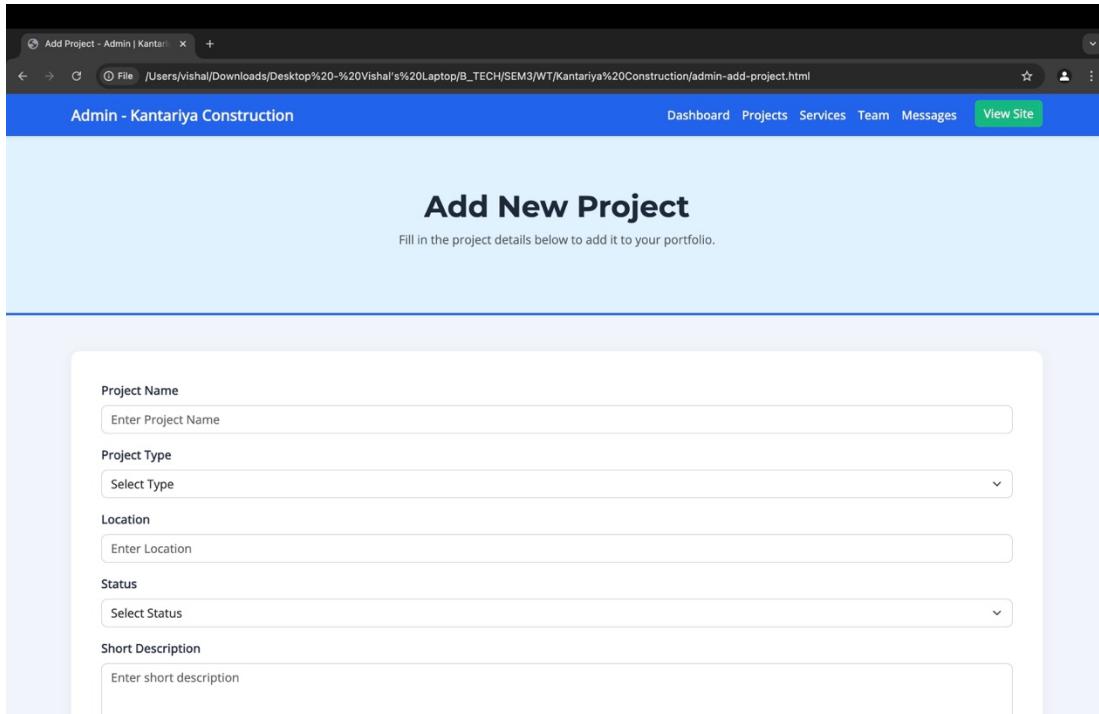

The screenshot shows a web browser window with the URL `/Users/vishal/Desktop%20-%20Vishal's%20Laptop/B_TECH/SEM3/WT/Kantariya%20Construction/admin-projects.html`. The page title is "Kantariya Admin" and the main heading is "Manage Projects". Below the heading, there is a sub-instruction: "View, edit, and organize all construction projects here." A green button labeled "Add New Project" is visible. Two project cards are displayed:

- Residential Building**: Ahmedabad, Gujarat. Includes a thumbnail image of a single-story house, a "Edit" button, and a "Delete" button.
- Commercial Complex**: Includes a thumbnail image of a modern multi-story building, a "Edit" button, and a "Delete" button.

The browser's developer tools are open, showing the HTML and CSS code for the page. The CSS code includes styles for the body, margin, font-family, font-size, font-weight, line-height, background-color, and other UI elements. The CSS is heavily commented with file paths like "admin-projects.html:21" and "reboot.scss:58".

## Add Project Page:

The screenshot shows a web browser window with the URL `/Users/vishal/Desktop%20-%20Vishal's%20Laptop/B_TECH/SEM3/WT/Kantariya%20Construction/admin-add-project.html`. The page title is "Admin - Kantariya Construction". The main heading is "Add New Project" with the sub-instruction "Fill in the project details below to add it to your portfolio.". At the top right, there is a "View Site" button. The form fields are as follows:

- Project Name**: A text input field with placeholder text "Enter Project Name".
- Project Type**: A dropdown menu with placeholder text "Select Type".
- Location**: A text input field with placeholder text "Enter Location".
- Status**: A dropdown menu with placeholder text "Select Status".
- Short Description**: A text input field with placeholder text "Enter short description".

## Edit Project Page:

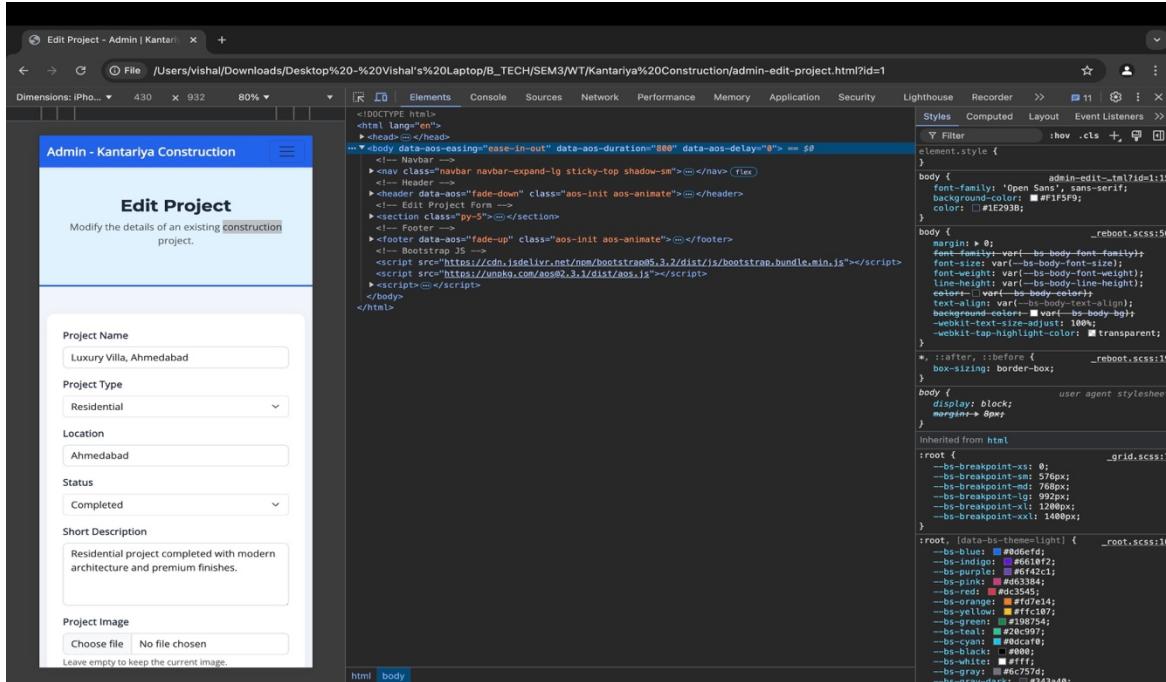

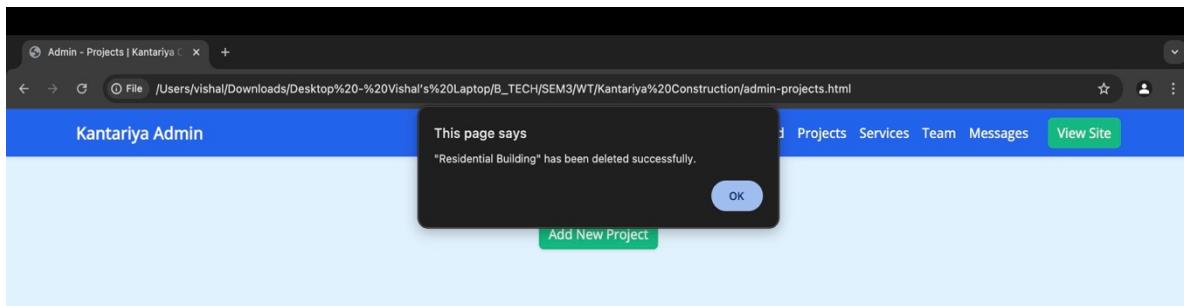

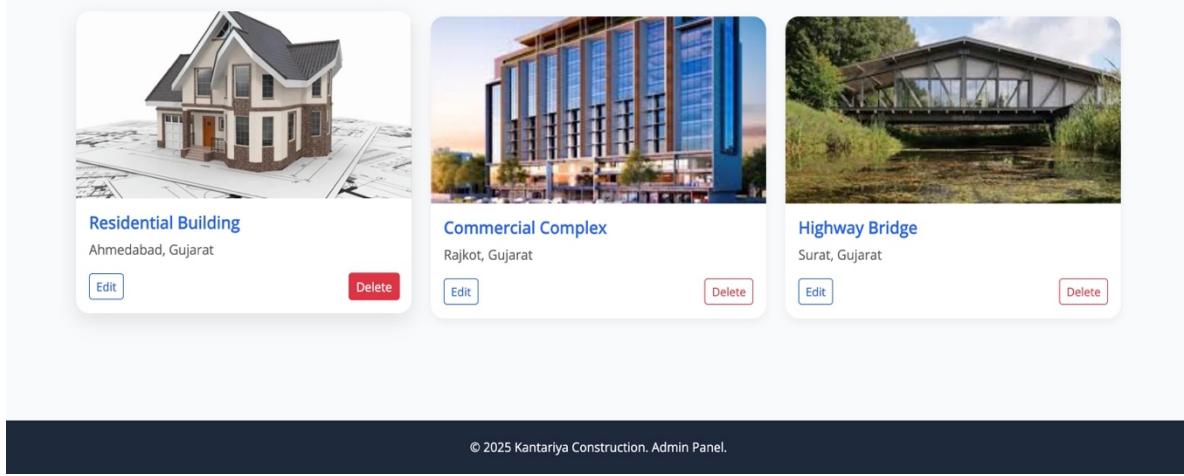

The screenshot shows a web browser window titled "Edit Project - Admin | Kantariya Construction". The URL in the address bar is "/Users/visha/Downloads/Desktop%20-%20Vishal's%20Laptop/B\_TECH/SEM3/WT/Kantariya%20Construction/admin-edit-project.html?id=1". The page has a blue header bar with the title and a navigation menu: Dashboard, Projects, Services, Team, Messages, and a green "View Site" button. The main content area is titled "Edit Project" and contains the following fields:

- Project Name:** Luxury Villa, Ahmedabad
- Project Type:** Residential
- Location:** Ahmedabad
- Status:** Completed
- Short Description:** Residential project completed with modern architecture and premium finishes.

The screenshot shows the same "Edit Project" page with more detailed fields. The "Project type" field now includes a dropdown arrow. The "Short Description" field is larger and contains the same text as the previous screenshot. A new section labeled "Project Image" appears, featuring a "Choose file" button with the text "No file chosen" and a note: "Leave empty to keep the current image." At the bottom of the form is a green "Update Project" button. The footer of the page contains the copyright notice: "© 2025 Kantariya Construction. All Rights Reserved."

## Manage Services Page:

#	Service Name	Description	Actions
1	Residential Construction	Building modern residential homes with premium quality.	<a href="#">Edit</a> <a href="#">Delete</a>
2	Commercial Construction	Constructing office and commercial buildings efficiently.	<a href="#">Edit</a> <a href="#">Delete</a>
3	Infrastructure Projects	Delivering durable roads, bridges, and large-scale structures.	<a href="#">Edit</a> <a href="#">Delete</a>

The screenshot shows the same Manage Services page as above, but with a browser's developer tools open on the right side. The 'Elements' tab is selected, displaying the HTML structure of the page. The 'Styles' tab shows the inline CSS for the selected element, which is the body of the page. The CSS includes styles for fonts, colors, and layout, such as 'font-family: Open Sans, sans-serif;' and 'color: #1E93B8;'. The 'Computed' tab shows the final rendered styles, and the 'Layout' and 'Event Listeners' tabs provide information about the element's position and any attached events.

## Edit Service Page:

The screenshot shows the 'Edit Service' form. The project name is 'Luxury Villa, Ahmedabad'. The service type is 'Residential'. The location is 'Ahmedabad'. The status is 'Completed'. The short description is 'Residential Service completed with modern architecture and premium finishes.' There is a file input field for 'Service Image' with the placeholder 'Choose file' and 'No file chosen'. Below it is a note: 'Leave empty to keep current image.' A blue 'Update Service' button is at the bottom.

This screenshot is identical to the one above, showing the 'Edit Service' form for the same project details: 'Luxury Villa, Ahmedabad' (Project Name), 'Residential' (Service Type), 'Ahmedabad' (Location), 'Completed' (Status), and the same short description. The 'Service Image' field also shows 'No file chosen' and the note 'Leave empty to keep current image.' The blue 'Update Service' button is present at the bottom.

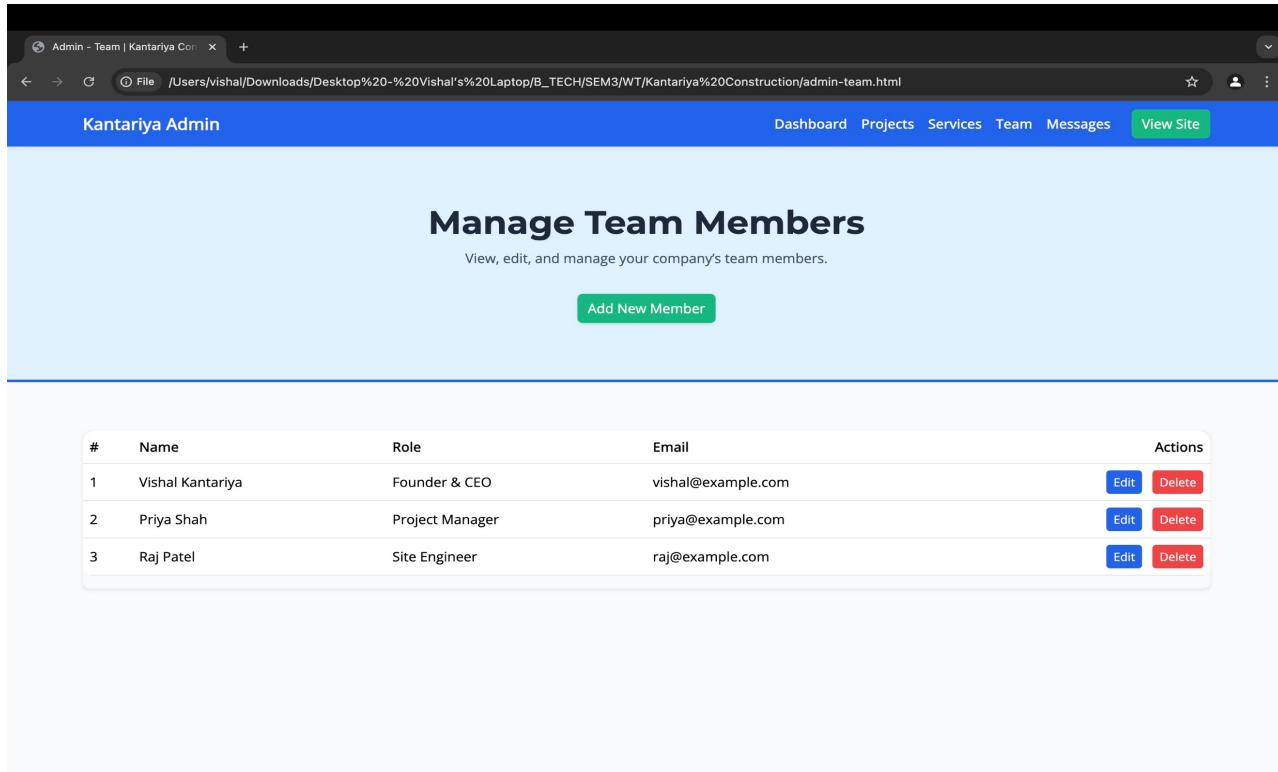

The screenshot shows a web browser window with the URL `/Users/vishal/Downloads/Desktop%20-%20Vishal's%20Laptop/B_TECH/SEM3/WT/Kantariya%20Construction/admin-edit-service.html`. The page title is "Edit Service". The form fields include:

- Project Name: Luxury Villa, Ahmedabad
- Service Type: Residential
- Location: Ahmedabad
- Status: Completed
- Short Description: Residential Service completed with modern architecture and premium finishes.
- Service Image: Choose file (No file chosen)

Below the form is a blue button labeled "Update Service". The right side of the browser displays the generated HTML and CSS code for the page.

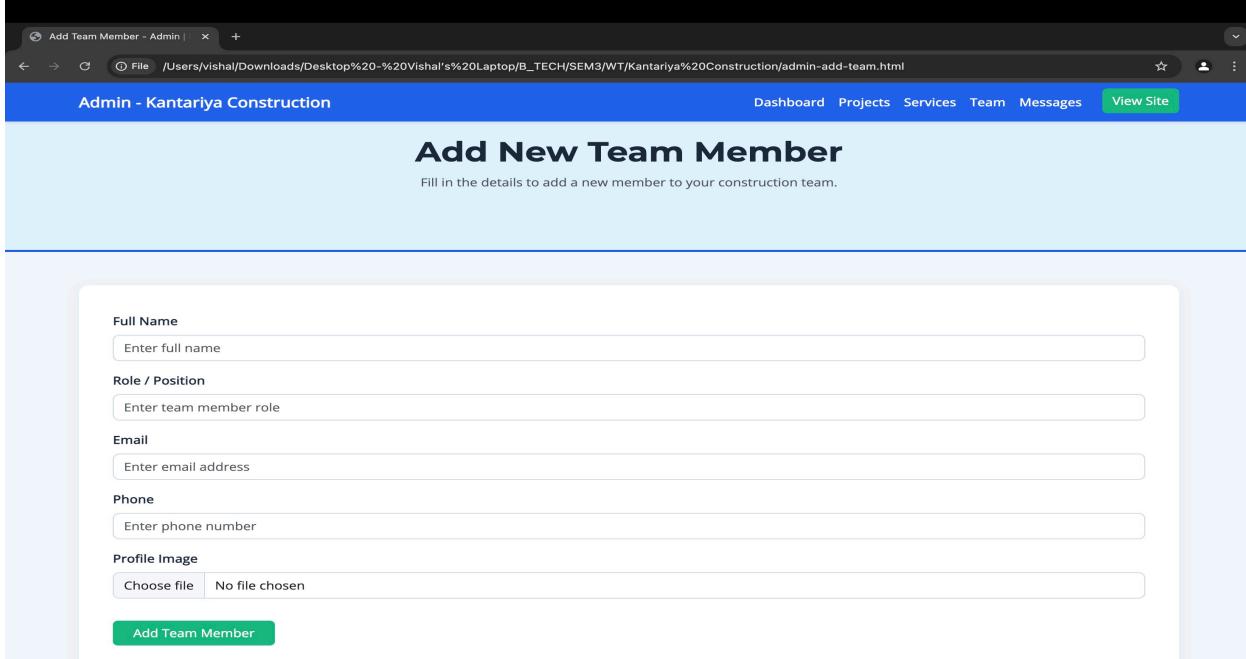

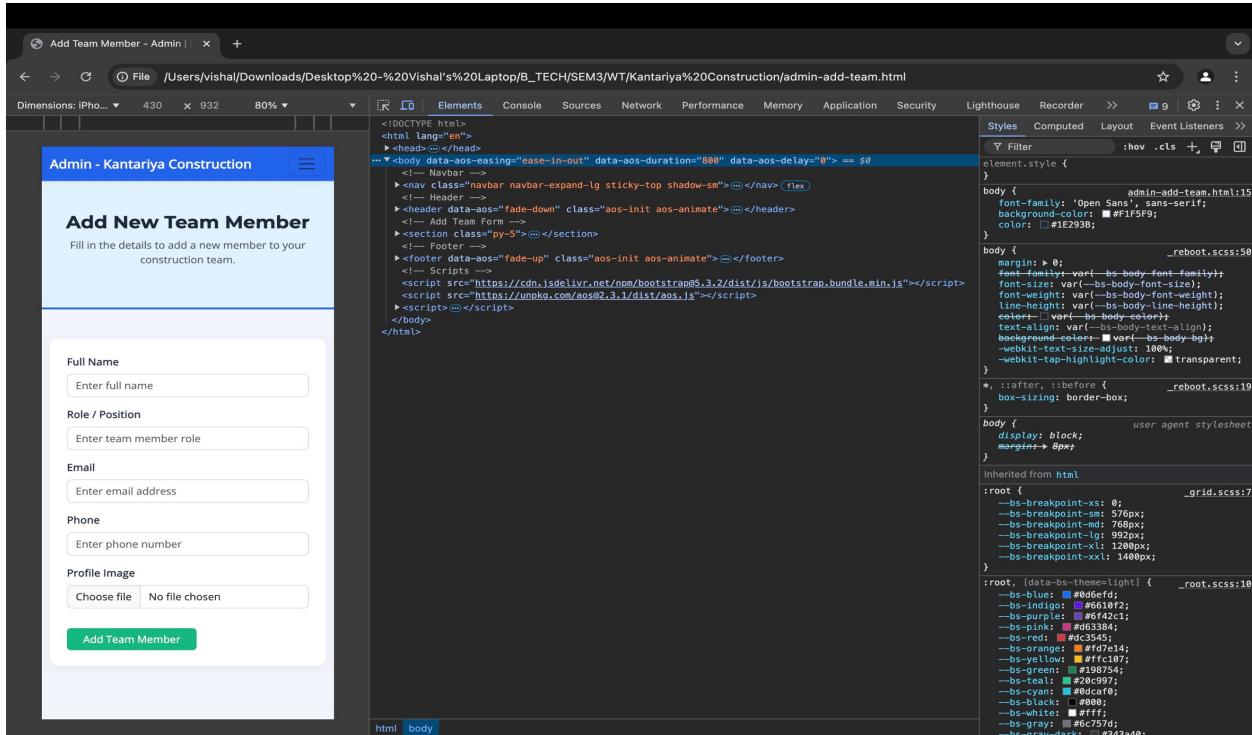

## Team Member Page:

The screenshot shows a web browser window with the URL `/Users/vishal/Downloads/Desktop%20-%20Vishal's%20Laptop/B_TECH/SEM3/WT/Kantariya%20Construction/admin-team.html`. The page title is "Kantariya Admin". The main content area is titled "Manage Team Members" with the sub-instruction "View, edit, and manage your company's team members.". Below this is a green button labeled "Add New Member".

## User Messages Page:

#	Name	Email	Message	Date
1	Vishal Kantariya	vishal@example.com	Interested in a residential project.	10-Oct-2025
2	Priya Shah	priya@example.com	Need quote for a commercial building.	09-Oct-2025
3	Rahul Patel	rahul@example.com	Looking for interior design services.	08-Oct-2025

The screenshot shows the same 'User Messages' page as above, but with the browser's developer tools (Elements tab) open over the page content. The Elements panel displays the HTML code for the page, including the header, main content area with the message table, and footer. The Styles panel on the right shows the CSS styles applied to various elements, such as the body font ('Open Sans'), background color (#F8FAC), and table borders. The Network tab shows the loaded files, including the main HTML file and external Bootstrap and AOS CSS files.
